

## THEY COME TOGETHER

Backache and Kidney ache are usually inseparable. Some Heppner People are Learning How To Get Rid of Both.

Does your back ever ache? Feel lame, weak—so sore you can hardly work? Are you making the common mistake—

Waiting for it to pass away? To cure the backache, you must cure the kidneys.

The pain may cease, but it is sure to return. You may feel tired and worn-out all the time.

Urinary troubles may annoy you, headaches and dizziness.

Make up your mind your kidneys need attention.

Begin taking Doan's kidney Pills at once.

Doan's have strengthened thousands of sick, weakened kidneys.

Have driven out kidney backaches for good.

No Heppner reader can doubt the following statement.

Its from a resident of this locality. Mrs. F. M. Gentry, Church St., Heppner, Oregon, says: "A member of our family used Doan's Kidney Pills for backache and other troubles, caused by disordered kidneys. This remedy lived up to all the claims made for it and brought great relief."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Mr. and Mrs. O. E. Shaner and son Clarand departed on the 8th inst. for Corvallis. The Shaners are residents of long standing who are highly respected for sterling qualities of morality and citizenship, that we regret losing. The change is made for the benefit of Mr. Shaner's health.

We suggest that every farmer, parent and child should seek an early opportunity for reading and studying the "Back to the Soil" article written by N. O. Maris and published in the Portland Livestock Reporter of March 11, 1912. We pronounce it the best we have seen. Farmers dignify your calling; the world owes you homage.

"I suffered habitually from constipation. Doan's Regulets relieved and strengthened the bowels, so that they have been regular ever since." —A. E. Davis, Sulphur Springs, Tex.

F. A. Sikes, of Milton, state secretary of the Farmers' Union, will address the people of Gooseberry at the open meeting on April 30th. Come out and hear him.

E. R. Lundell got a pretty hard bump one day last week. He was riding on a gang plow when he struck a small pebble and was thrown from the plow. Ernest says that the fall did not hurt him; it was stopping so quick that put him on the bum.

Road supervisor in number eight assumed his office a year too late. Times are hard, and lack of pelf.

He signs subscriptions mostly himself. With sleeves rolled up and fire in eye he'll make the rocks and gravel fly. He'll put in bridges and straw the roads.

So we can get to town with bigger loads.

Mr. Notson's lecture, which was to have taken place Thursday night, had to be postponed on account of bad weather.

Miss Beulah Barker, of Heppner is the proud possessor of a homestead on Butter creek. Since it is a very fine place, Miss Barker has determined that she shall have only very fine stock. Accordingly, she has lately purchased a cow and calf, thoroughbred Jersey, slightly mixed with Holstein, Hereford and Shorthorn.

On Friday last, Miss Barker and Miss Fuller took upon themselves the duty of conveying these animals to "the ranch," and thus it happened that they passed through our neighborhood. Late in the evening they drew up in front of the home of J. H. Edwards, begging for a night's lodging for themselves, cow, and the poor little calf, which, in truth, looks much like a bedraggled parsnip. It so chanced that Mr. Edwards' barn was full and here arose the question, what was to be done with the cattle. But as 'uck would have it, John had that day bought a five gallon can of coaloil, which he rushes out empties and lo! our cow and calf have a safe, warm stall for the night. The next morning all went on their way rejoicing. Miss Barker leading old bossy and Miss Fuller drawing up the rear with little Parsnip.

## Puts End To Bad Habit.

Things never look bright to one with "the blues." Ten to one the trouble is a sluggish liver, filling the system with bilious poison, that Dr. King's New Life Pills would expel. Try them.
